TRINITY DESIGNS, INC. MAKES SUCCESSFUL DEBUT AS NEW BLACK DOLL COMPANY OF THE MILLENIUM.

Chicago, IL-Trinity Designs, Inc. has made its premier as the newest designer and manufacturer of African American dolls. They have successfully launched their first doll, The Essence of a Delta. The Essence of a Delta is the first **audio equipped** collectible, sorority fashion doll to hit the scene. Not only is she beautiful but yes, she sings!!!

Trinity Designs, Inc. has truly outdone itself with their first collection of beauties. The signature collection includes The Essence of a Delta, The Essence of a Zeta, The Essence of Lady Ivy and The Essence of Lady Sigma all of which have custom audio, custom sculpted hands and are designed with every detail in mind. Trinity Designs, Inc. is currently offering their signature line for a limited time. Be sure not to miss the opportunity at owning one of these beautiful dolls. New designs are in the lineup that will feature a Holiday doll and a collection of dolls for children.

To the surprise of many, this small company of African American women was able to pull off a magnificent accomplishment by entering into the manufacturing and doll industry. We celebrate the launch of the only 100% African American, woman owned, collectible fashion doll company.

Trinity Designs, Inc. is headquartered in suburban Chicago, IL.
